Career Objective

Motivated and enthusiastic final-year Electronics and Communication Engineering student seeking an entry-level Software Development position. Possess foundational knowledge in Java, Python, Object-Oriented Programming, IoT, and Embedded Systems. Eager to apply technical skills, problem-solving abilities, and a strong learning mindset to contribute effectively to organizational success.

Education

Dadi Institute of Engineering and Technology B.Tech in Electronics and Communication Engineering	2024 - 2027 CGPA: 8.19/10.0
Prasanthi Polytechnic Diploma in Engineering	Completed Percentage: 86.79%
Sri Bhavani vidyaniketan school Secondary School Education	Completed CGPA: 10.0/10

Technical Skills

- Programming Languages: Java, Python
- Core Concepts: Object-Oriented Programming (OOP)
- Technologies: Internet of Things (IoT), Embedded Systems
- Problem Solving and Logical Thinking

Projects

LPG Gas Leakage Detection System Using Arduino

- Developed an LPG gas leakage detection system using Arduino and gas sensors.
- Designed the system to detect gas leakage and provide timely alerts for safety.
- Gained practical experience in embedded systems and sensor integration.

Tic Tac Toe Gaming Application

- Developed a Tic Tac Toe gaming application using AI-assisted development tools.
- Implemented game logic and interactive user experience features.
- Enhanced programming and application development skills.

Industrial Training

Industrial Training in IoT and Embedded Systems

CEMS, Scindia

- Completed hands-on industrial training in Internet of Things (IoT) and Embedded Systems.
- Gained practical exposure to sensors, microcontrollers, and hardware-software integration.

- Developed understanding of real-world embedded applications.

Certifications

- Design Thinking – Infosys Springboard
- Creative Thinking – Infosys Springboard

Strengths

- Quick Learner
- Good Communication Skills
- Problem Solving
- Team Collaboration
- Smart Work Attitude

Hobbies

- Learning New Things
- Travelling
- Reading Books

Languages

- Telugu
- English
